

*Carmel High School
Athletics Department
2016 – 2017
Scholar Athlete
Awards Program*

The **Scholar Athlete Award** was initiated in the spring of 1993. This award is presented to all Carmel High School students who were part of a CHS athletic department team during the 2016-2017 school year who also achieved a 3.7 GPA or better for the first semester of the year.

In 1998, the **Athletic Director's Honor Roll** was added to the program. This award recognizes the varsity athlete with the highest GPA during their competitive season.

In addition, the Carmel High School Athletic Department recognizes **Scholar Teams** which are teams sponsored by the Athletic Department who achieve an average team GPA of 3.2 or better during their competitive season.

The *Greyhound Booster Club* provided the funds for the first Scholar Athlete Awards in the spring of 1993. The *Greyhound Booster Club* has been joined by corporate sponsor *Quality T's* to provide the support necessary for this award program to continue. The Athletics Department and Carmel High School coaches wish to publicly thank the *Greyhound Booster Club* and *Quality T's* for their support of this program which both benefits and motivates our student athletes.
