

Carmel High School  
**PSAT PREP COURSE**

A preparation course for the PSAT will be offered to Carmel High School juniors this fall. This six-hour prep course will be taught by Carmel High School teachers. The course will include a review of skills related to both the verbal and math sections of the test as well as provide tips on test-taking specific to the format of the PSAT. Some of the material found in the PSAT Test Bulletin distributed to Junior students during their SRTs in September will be used.

Because scores earned on the PSAT are used by the National Merit and National Achievement Scholarship Programs, it is important for juniors to prepare for the exam in advance so that they are well positioned to do their best on the test.

**The PSAT Test will be given to all Juniors and Sophomores  
on Wednesday, October 11, 2017**

**PSAT PREP REGISTRATION**

Note: Students need to attend one session each week.
