MESSAGE FROM PRINCIPAL JOHN WILLIAMS

I hope that this edition of the PTO newsletter finds all of you recovering from the holidays and off to a great start for 2009.

It is difficult to believe that the school year is half over. I ask myself, where did the first semester go? I do know that there were many wonderful things that occurred so far during this school year. I would like to recognize our boys and girls cross country teams. Both of these teams were county, conference and state champions. While this alone is great, it was even more special as it was the final season of coaching for long-time cross county coach Chuck Koeppen. Coach Koeppen has been coaching cross country and boys track at Carmel High School for 37 years. During that time he has won 23 state championships. His greatest contribution is the wonderful relationship he has built over the last year with his students and his athletes. We thank Coach Koeppen and we honor him.

As we start the new year, I would like for all of you to know how thankful I am for the opportunity to work with you and your kids. Every day I get to see the wonderful things they accomplish. Their hard work, dedication, and commitment to excellence is an inspiration to those of us who get to spend our days with them. This is a testament to the job you have done installing in your children the confidence, respect and work ethic needed to achieve what they do.

I hope 2009 is a great year for you and your family. Remember that if there is anything we can do, or if you have any questions, please contact us.

MESSAGE FROM PTO PRESIDENT AMY KLINE

Welcome back from what I hope was a relaxing winter break from school. CHS students and teachers jumped right into second-semester classes upon their return and hopefully the new schedules are working smoothly. As a parent, I encourage you to keep open communication with your child’s teachers. Stay informed about the high school through the website, newsletter and TV station.

The Purdue Varsity Glee Club will be performing at CHS on Feb. 21. This is a great concert that you won’t want to miss. The committee in charge of this event has been hard at work handling publicity, tickets and meals for this evening. Please look for information in this newsletter about tickets for the performance.

It’s hard to believe, but it is time to start planning for next year. Any parent who is interested in serving on the CHS PTO board for the 2009-2010 school year should contact me by email at spenceramy@aol.com or by phone at 815-1653. You may also contact Vice President Cathy Huber at chuber@rkhuber.com or 873-8450. Current board members should let us know if they want to keep their current position or try something new. The nominating committee will be meeting in February to select the new slate of board members. We make every effort to achieve balance of representation from all three middle schools and Our Lady of Mt. Carmel. Please consider offering some of your time to the endeavors of the PTO board at Carmel High School.

As always, you are invited to attend PTO meetings. Meetings usually last 60-90 minutes and are great opportunities to learn more about CHS from Principal John Williams and Maria Cottone, a counselor. The next meeting is on Feb. 3 at 9 a.m. in the community room. Hope to see you there.

Best wishes for a wonderful New Year.
My CCS

In order to make MyCCS more user-friendly, a new feature has been added that will enable students and parents to view assignment grades throughout the semester. In the past, the only viewable grades on MyCCS were for the current grading period. To access this new feature, enter Webgrades and select a specific class. When the information for that class becomes available, there is now an additional “button” in the upper right-hand corner titled Assignment History. The Assignment History feature provides a running list of graded assignments throughout a semester and will be available regardless of the grading period.

Wellness Committee Busy with Projects

The Carmel High School Wellness Committee, composed of students, staff and parents, is working on many projects. Recently the committee received a mini grant for wellness posters from the Alliance for a Healthier Generation. These posters, which will be displayed in the cafeterias, will feature students and staff and include wellness information, according to Kim TenBrink, CHS wellness chair.

In September, a wellness fair was held for freshmen and seniors. Vendors included Student Venture, American Red Cross, Dr. Jason Bunch, St. Vincent Hospital, American Heart Association, Carmel police and fire departments, Dr. Shalu Manchandra, Carmel Rugby Club, American Diabetes Association, Carmel Lacrosse Club, Monon Center, MBS Therapy, Randy Dick, CHS Student Assistance Coordinator Jane Wildman, CHS teacher Katie Gray, Carmel Dads’ Club, DARE, Cool Creek Chiropractic, Dr. Kirsten Turchan, and Chaz Robinson, a nationally ranked jump-rope competitor. Thanks to these individuals and companies who donated their time to promote wellness to students.

The staff wellness fair will be Feb. 12 from 8 a.m. to 3:30 p.m. in the media center. Many health screenings will be offered and educational information will be distributed.

Siemens Foundation Competition Winners

Five Carmel High School seniors were selected as semifinalists in the Seimens Foundation science, math and technology competition last fall. Two seniors went on to become regional finalists.

In the team project division, Trent Huckstep and Kevin Wang were named semifinalists for their project titled, “Discovery and characterization of yeast strains which can ferment alternative carbon sources to ethanol in the presence of glucose.” They worked with mentors Dr. Mark Goebel and Ross Cocklin at the Biotechnical Research and Training Center in Indianapolis, IUPUI, and Indiana University School of Medicine.

In the individual project division, Peter Li was a semifinalist for his project titled, “HPD: Online integrated human pathway database software enabling systems biology studies.” Dr. Jake Chen mentored him at the School of Informatics, IUPUI.

Yingxue Li and David Yang were named regional finalists for their team project, “Characterization and merger of oscillatory mechanisms in an artificial genetic regulatory network.” They were mentored by Dr. Alexey Kuznetsov in the department of mathematics at IUPUI. The students will receive a $3,000 award.
The National Honor Society is selling carnations for Valentine’s Day!
Send orders by Monday, February 2!

District Accreditation and Carmel Clay Schools

Carmel Clay Schools are working to earn district accreditation through AdvancED, the largest school accreditation organization in the nation. This summary provides important information for the community about this quality assurance process.

What is accreditation?

Accreditation is a method of quality assurance for schools that was pioneered in the United States more than 100 years ago. Accreditation is a process that involves schools and their communities in meeting high quality standards and implementing continuous improvement, while engaging in rigorous external and internal review.

What are the benefits of accreditation?

Our district’s commitment to accreditation assures parents/guardians and our entire community that we are focused on the highest standards for student achievement, a safe and enriching learning environment, and efficient/effective school operation. For our students, accreditation holds a number of important benefits including:

- Recognition of academic credits by colleges/universities.
- Transferability of credits between high schools if a student moves.
- Access to federal loans, different scholarships, and other programs that require accreditation.

How do I get involved?

Anyone involved with the school community can be a part of the district accreditation process. Contact the School Improvement Council (SIC) chairperson, the principal, or the PTO at any of our schools.

How do I learn more?

---

COLOR GUARD CLINIC

Color Guard uses flags, rifles, props, and dance to interpret band music, bringing color and life to the performance of the marching band. This is an opportunity for you to try it out! Come learn a few flag skills, dance and have some fun. This class is highly encouraged for girls considering trying out for color guard this spring.

When: Wednesdays, Jan. 28-March 18
Time: 6:30-8:30 pm
Where: Carmel High School, in the freshmen cafeteria
Who: Girls, Grade 6 and older
Cost: $90 for six-week session plus a $10 flag deposit. Total = $100
Dress: Comfortable clothing that allows you to move and stretch, tennis shoes.

To register, bring completed registration form with you on Jan. 28.
Questions? Call Allyson at 569-1621 or Loris at 446-1895.

STRONGER. FASTER. HIGHER.
Attention seniors! College Goal Sunday, a program to help college-bound students with the financial aid application process, is Feb. 15 from 2 to 4 p.m. This is an opportunity to receive assistance with completion of the FAFSA financial aid form for college. Bring your tax information and the financial aid office staff and volunteers will talk you through the process. The deadline to submit the FAFSA is March 1. For further information, call 1-800-992-2076, or visit www.CollegeGoalSunday.org. Every family should file with FAFSA regardless of their current financial situation because it makes students eligible for low-interest loans and possible work-study jobs on campus. The FAFSA is required by many schools for consideration of merit scholarships. FAFSA worksheets are now available in the counseling center. The FAFSA forms are to be completed online. Visit www.fafsa.com for further information.

Another helpful college/career website is www.collegeboard.com. Click on the “College Matchmaker” button to search for colleges that fit your needs and interests. This is a useful website for learning about different majors and potential careers.

Parents of juniors should remind their student that now is a good time to make an appointment with the CHS College and Career Resource Center to obtain information on colleges and the application process. Juniors should get a list of colleges to consider. Students can request a pass at the front desk of the counseling center. Parents can call 571-5922, ext. 9, for an appointment.

### Scheduling Information for 2009-2010

Current ninth- and tenth-graders met with counselors and chose their classes for the 2009-2010 academic year just prior to winter break. Current juniors had a meeting Jan. 8 and received information about scheduling classes for their senior year. Juniors will have individual scheduling appointments with their counselors during the end of January and throughout February. Current eighth-graders who are students at Carmel, Clay or Creekside Middle Schools will be meeting with counselors in late January or early February to schedule courses for their freshman year at CHS.

Since the size of our faculty is based on projected need, it was necessary to establish a deadline of March 1 for changes to student course requests for next year. After March 1, the master schedule of classes and staffing will be finalized and we will no longer have the flexibility to accommodate every request for course changes. Between March 1 and May 1, changes will be made only if classes are available. Please note that May 1 is the final date for changes in schedules for both the first- and second-semester classes for the 2009-2010 school year. Due to these constraints, it is very important that students select courses carefully. Please discuss your student’s course selections and options with them prior to submitting the schedule request form. After your student has met with the counselor, if there is a need to make a change, be sure to contact the counselor before March 1 to discuss the needed change.

### Enrollment for Private School Students

A meeting is scheduled Tuesday, Feb. 10, from 8 to 11 a.m., in the Freshmen Center cafeteria for students who are currently eighth-graders at private schools who plan to attend CHS next year. These students and their parents will meet with CHS counselors to enroll and schedule classes for their freshman year. Call the CHS counseling center, 571-4621, for an enrollment packet, if you have not received one.

### Summer School Registration Begins

The first session of summer school will meet from Monday, June 1, through Friday, June 26. The second session will meet from Monday, June 29, through Friday, July 24. (No classes on Friday, July 3.) Registration forms for current CHS students are available in the counseling center. Current eighth-graders will receive information about summer school when they meet with counselors in late January.

ISTEP GQE Retakes
Any current 11th- or 12th-grader who needs to retake the ISTEP GQE can take the test March 10-12. Current 10th-grade students who need to retake the ISTEP GQE will be retested in September.

AP Exams
Students currently enrolled in an AP class who are interested in taking one or more of the College Board's Advanced Placement examinations in May will receive information about the tests and the registration process after Feb. 1. The information also will be available in the counseling center. The registration deadline is Friday, March 6.

SAT Prep Course
The next SAT Prep course will be offered on April 15 or 16, and April 22 or 23. Cost is $30 for the complete course. This is a great way to prepare for the upcoming SAT tests offered at CHS in May and June. Registration forms will be available in the counseling center beginning March 2.

Scholarship Opportunities
Many scholarship applications are available on the scholarship wall in the counseling center. Some current opportunities are listed on the new bulletin board located outside the counseling center. Websites also are posted. Contact your student's counselor with any scholarship questions. Scholarship opportunities also are listed on PrepHQ. Parents can visit www.fastweb.com and register for this free scholarship website.

Scholarship Confirmations
If your child has earned a scholarship, please submit a copy of the official confirmation letter along with the completed scholarship confirmation form (available in the counseling center) to Shelly Rubinstein. Submit only those confirmed college scholarships to the school you will be attending. All information will remain confidential. If confirmations are submitted, your child will be recognized at Scholarship Awards Night at 6:30 p.m. Thursday, May 21, in the auditorium. Each scholarship submitted will be listed in the commencement program. The last day to submit confirmations for recognition at awards night and the commencement program is Friday, May 8. Any awards received after this date will not be included in the awards night program.

Carmel Clay Education Foundation Scholarships
Since its inception in 1966, the Carmel Clay Education Foundation (CCEF) has provided scholarships to deserving CHS graduates. Awards are presented on the basis of character, grade achievement from freshman through senior years, leadership abilities, SAT/ACT scores and school activities. Awards also are presented to students who show aptitude for higher education notwithstanding their high school record. Financial need will be considered for some scholarships. Essays are required for several of the scholarships. Senior students planning to attend a college, university or vocational school are welcome to apply.

In 2008, the Foundation awarded about 80 scholarships for more than $93,000. The scholarship application, which is available online, is due Friday, Feb. 27. Visit the CCEF website at www.ccs.k12.in.us. For more information, call 844-9961, ext. 1009, or your student's counselor.

Student Tutor Connection
Did you know that your student can receive free peer tutoring during the school day? Student Tutor Connection is a peer tutoring club that meets during the second SRT of each week. During this time, student tutors provide assistance in most subject areas. Interested students may obtain a pass to attend Student Tutor Connection from any teacher or counselor.

Distinguished Grad Program
Seniors must turn in applications for the Distinguished Grad program by Feb. 13. Only Seniors may apply and notification of the results will occur in early May. Applications may be picked up in the counseling center. Here is a list of frequently asked questions.

Why did you start this program?
When the Weighted Grades Committee decided to remove class rank, valedictorians and salutatorians, we decided we needed a way to recognize outstanding students at our graduation ceremony.

Do the points count for each year or it is cumulative?
It will be cumulative for the entire four years. GPA points will be determined in January of a student’s senior year.

Are all clubs considered in the program?
No. Only students who complete 40 competition hours or community service hours within their organization/club may be eligible for points. The club sponsor or coach will determine those who are eligible.

Are the maximum allowed points for each year or is that for the four years?
The maximum allowed points are for the entire four years. If a student is involved with three different organizations for all four years of their high school career, they can only receive 20 points total.

How many students will be recognized and how will you determine who will be recognized?
The 100 students with the highest amount of points will be recognized. Of the 100, 30 will be distinguished and 70 will be commended. If there is a tie, we will extend the number of students recognized.

Since we don’t have valedictorians and salutatorians, who is speaking at graduation?
The distinguished grad with the highest number of points will speak at our graduation ceremony.

How are the points checked to ensure integrity in the program?
Counselor, dean, athletics and activities departments will check and sign off on every application.

When are completed worksheets due and where are they turned in?
Turn in worksheets to student services no later than Feb. 13.

Student Tutor Connection
Did you know that your student can receive free peer tutoring during the school day? Student Tutor Connection is a peer tutoring club that meets during the second SRT of each week. During this time, student tutors provide assistance in most subject areas. Interested students may obtain a pass to attend Student Tutor Connection from any teacher or counselor.

When are completed worksheets due and where are they turned in?
Turn in worksheets to student services no later than Feb. 13.
Grad Fest is a celebration of all graduating seniors that takes place at Carmel High School the evening of graduation. This event is sponsored by the PTO and by parents of not only seniors but underclassmen as well. The goal is to provide a safe place for all graduates to be together while enjoying a carnival, refreshments and a chance to win fabulous prizes. In the past, students have enjoyed winning PDAs, TVs, refrigerators, cameras and other quality gifts. Parents agree that this event offers a better alternative to the many neighborhood parties of the past.

For Grad Fest ’09 to be successful, we need the support of parents and businesses. The cost for an event of this magnitude is about $20,000. Without your help, this graduation memory cannot happen. Because of the amount of planning and organization that goes into this project, your timely reply is much appreciated.

We encourage a $25 donation from each student. Of course, more generous donations are certainly welcome. Corporate and individual sponsorship will be a major factor contributing to the success of this event. The Class of 2009 thanks you in advance for your generosity. Please forward all tax-deductible donations to the address listed below.

**Purdue Varsity Glee Club at CHS Feb. 21**
The acclaimed Purdue Varsity Glee Club, which has wowed audiences around the world, is coming to Carmel High School Feb. 21. The group, sponsored by the PTO, will perform at 7:30 p.m. in the auditorium.

Three CHS alumni are members of the Glee Club, including junior Ryan McLean and freshmen John Foerster and Tim Harris.

Known as goodwill ambassadors for the university, the Glee Club has performed at five presidential inaugurations and on such legendary stages as the Crystal Cathedral and Carnegie Hall. The group presents a broad repertoire from classical to contemporary, and gospel to show tunes.

Both reserved ($15) and general admission ($10) seats are available for the performance. Tickets can be purchased by sending a stamped, self-addressed envelope to Judy Van Houten, Glee Club Tickets, 3705 E. Carmel Dr., Carmel, IN 46033. For ticket questions, contact her at 566-0355 or vanhouten5@aol.com.

Sponsors are needed to help defray the cost of the show. Sponsorships, to be listed in the concert program, are priced as follows: full page ad, $100; half page ad, $50; business card ad, $25; and PVGC patron, $25 or more. Please email Tammy Rader at tammyrader@att.net no later than Jan. 28 if you are interested in being a sponsor.

Carmel, Indiana 46033

Thank you

The Carmel Clay Education Foundation
FUELING THE FLAME OF EDUCATION
2009 TELETHON

The Carmel Clay Education Foundation strives to assist Carmel Clay students in achieving their potential by awarding educational grants and scholarships.

By providing educational grants to Carmel Clay Schools classroom teachers we help introduce new and innovative educational experiences for our students as well as ways to provide expanded learning opportunities.

Please make an investment in the youth of Carmel by donating to the 23rd CCEF telethon. The telethon will be broadcast using the facilities of the Carmel High School CHTV Channel 99 on Thursday, Feb. 19, from 6 to 9 p.m. It will feature entertainment by many of the schools’ musical groups. In addition, our host Greg Shaheen will interview community and school leaders. The students and staff of CHTV will run the show.

We need your help in “fueling the flame of education.”
Will you please complete the advance pledge form on the left?
You may send a check made out to the Carmel Clay Education Foundation or complete the Visa/MasterCard charge card information.
CCEF is an IRS 501 c 3 organization. Donations are tax deductible to the limit permitted by the tax laws.

Our Telethon Challenge Donors:
Fanning/Howey Associates, Inc.
The Skillman Corporation
