

Student: Smith, John (2016 - 2017)

Student Number:

West Clay Elementary School - Math K

Teacher: Jillinda Stella

Proficiency Levels Explanation

Not Assessed: Not Assessed

Kindergarten Math		
Number and Numeration	Quarter 2	Quarter 4
Counts orally 1-100		
Counts on by 2s using appropriate tools as needed		
Counts on by 5s and 10s using appropriate tools as needed		
Counts back by 1s from 20 using appropriate tools as needed		
Reads numbers 1-30		
Writes numbers 1-20		
Compares and orders numbers up to 20		
Counts 20 or more objects		
Operations and Computation	Quarter 2	Quarter 4
Models addition by joining sets of ten or fewer objects		
Models subtraction by removing sets of ten or fewer objects		
Adds fluently within 5		
Subtracts fluently within 5		
Data and Chance	Quarter 2	Quarter 4
Uses graphs to answer simple questions		
Measurement and Reference	Quarter 2	Quarter 4
Frames		
Identifies pennies, nickels, dimes, quarters, and dollar bills		
Geometry	Quarter 2	Quarter 4
Identifies shapes (circle, triangle, square, rectangle, ellipse/oval, rhombus/diamond, sphere, and cube)		
Patterns, Functions and Algebra	Quarter 2	Quarter 4
Creates simple patterns with numbers and/or shapes		

Creates a number sentence to describe addition and subtraction of ten or fewer objects
