ADMISSION POLICIES

Pupils entering school for the first time must present an official birth certificate, complete list of immunizations signed by an appropriate medical provider, and two proofs of residency. Please refer to our website:

<http://www1.ccs.k12.in.us/district/prospective-families-students/preparing-enroll>

In accordance with school laws of Indiana, children must be five years of age on or before September 1 to be admitted to kindergarten and six years of age for the first grade.

ENROLLMENT FORMS

- Each child enrolled at our school must have enrollment forms on file at the school. We ask that a parent or legal guardian complete the forms.
- All enrollment forms must bear the signature of the parent or legal guardian.
- Please see an office staff member if any changes are necessary.

ANIMALS

Animals are not to be brought to school by the students at any time for any reason.

ARRIVAL PROCEDURES

- School buses arrive at school at 8:05 am
- Buses will arrive in the east parking lot. Students will be dismissed by grade level to enter the building at 8:05 a.m.
- Classes start at 8:10 am and students are tardy after that time.
- Since all students are provided bus service, there will be no crossing guards. All students are strongly encouraged to ride the bus.
- *When children arrive late, a parent or guardian must accompany the child to the office to check them in.*

ATTENDANCE

Daily attendance at school is absolutely vital in ensuring your child's academic success. Should your child have an illness that prevents them from coming to school, we ask that you notify the school each day prior to 8:30a.m. Please leave a message on our Voice Mail line 571-4073.

In the event that we are not notified of a child's absence, we will attempt to contact parents or emergency contacts to verify absence and ensure the safety of the students. If we are unable to verify an SRO may be contacted to help ensure the whereabouts of our students. Students must be in attendance at school by 11:30 am to be eligible for extracurricular activities that day or by 11:30 am on Friday to be eligible for Saturday participation. Exceptions to this would be pre-arranged absences or school-related functions.

STUDENT TARDINESS

Students who have not reported to their classroom by 8:10 am are considered tardy and must report to the office along with their parent. DO NOT drop your child off at the door. Your child must be escorted by a parent or guardian and signed in so that he /she is not reported as absent. A student who enters the classroom after the bell must submit a tardy slip to the teacher. The office personnel will help you in this regard. Habitual tardiness has a negative impact on the beginning of the day for your child as well as his/her classmates. Every effort should be made to assist children in reporting to the classroom in a timely manner.

PRE-ARRANGED ABSENCES

A Pre-Arranged Absence Form, which may be obtained by [clicking here](#), needs to be completed and submitted prior to the absence. Principal signature denotes awareness, not approval of absence. School work will be available for the students to complete *following* the absence. Please do not request work prior to absences. Our school district requests that families schedule vacations around the school calendar. The Carmel Clay School Attendance Policy (Project ACES) applies to all pre-arranged absences.

PROJECT ACES (ATTENDING CLASS EQUALS SUCCESS)

The goal of Project ACES is to ensure that every child attends school as required by Indiana Law so that each child will receive the necessary guidance and knowledge to become a productive member of the community.

Three Target Groups:

1. Students with Excessive Excused Absences
2. Students with Unexcused Absences
3. Students with Excessive Tardiness

Students with Excessive Excused Absences:

Excused absences not included in the ACES Program are: Religious Holidays, Death in the immediate family, Court Appearances, Jury Duty, Immigration, passports.

1. When a student misses 7 excused days of school, (vacation or illness, no doctor's notes provided), the parent, student, school administration, counselor/social worker and nurse will meet to discuss the students' attendance at the school. In some cases the School Resource Officer will attend the meeting. At the meeting, an attendance letter will be handed to the parents, as well as a LEAPP Packet. The meeting will attempt to

discern what the issues are for the student missing school and devise a plan to assist the student in improving their attendance. Documentation of the meeting must be kept in the student file.

2. When student misses 10 excused days of school, (vacation or illness, no doctor's notes provided), a Letter of Incapacity and a physician's certificate, which requires a doctor's note for any further absence, will be mailed to parent by certified mail.

The school administration will fill out and submit an ACES referral form to the Director of Student Services who will submit the form to the Carmel Community Prosecutor. The Prosecutor's Office will then contact the parents by mail and phone to inform the parent and child of the required meeting.
4. At the meeting the deputy prosecutor will present a presentation informing the parents and students how truancy leads to delinquency, increases the chances for becoming a dropout, Indiana law on school attendance and educational neglect, define excused and unexcused absences and the consequences of further absences from school.
5. Any further absences will result in a meeting between the deputy prosecutor, school administration, LEAPP, Carmel school probation officer, parent, and child.
6. If students are still missing school, education neglect charges will be filed.

Students with Unexcused Absences:

"Unexcused Absence" means an absence from school that is not authorized by the local school administrator or local school corporation rule.

1. When a student misses 1 unexcused day of school, the parent student, school administration and counselor will meet. In some cases, the School Resource officer will attend the meeting. At the meeting, an attendance letter will be handed to the parents, as well as a LEAPP Packet. The child will be assigned an In School Suspension.

In some cases, the School Resource Officer will attend the meeting. At the meeting, a tardy letter will be handed to the parents, as well as a LEAPP Packet.
2. When a student misses 4 hours of seat time due to tardiness, student and parent are referred to the ACES program. The school administration will fill out and submit an ACES referral form to the Director of Student

3. At the meeting the deputy prosecutor will present a presentation informing the parents and students how tardiness leads to delinquency, increases the chances for becoming a dropout, Indiana law on school attendance and education neglect, and the consequences of further missed seat time at school.
4. Any further hours of missed seat time will result in a meeting between the deputy prosecutor, school administration, LEAPP, Carmel school probation officer, parent and child.

Phone calls will be made via School Messenger to alert families of any changes. This information will also be found on the district website, social media and local news stations.

FIELD STUDY TRIPS

Field study trips must be of an educational nature to be included in the elementary program. Parents who go with a class on a trip as a chaperone will be expected to pay any admission fees required. All parents participating in field trips must have a full criminal history check on file and have viewed the Anti-Bullying video. Parents can apply for the criminal history background check through [myCCS](#). Each field trip will require a permission slip signed by a parent. If a permission slip is not returned with the parent signature, the child will not participate in the field trip.

FOOD

Please do not bring food or treats for other students. Due to food allergies, food and treats are not permitted to be brought into the building and shared with other students. We encourage visitors to contact the cafeteria manager and order a lunch (hot, sack, or salad) to eat with your child.

LOST AND FOUND

The school cannot assume responsibility for your losses. However, if you will report them immediately, every effort will be made to help. At intervals during the school year, unclaimed items will be donated to a local charity.

MEDICAL/HEALTH

Injuries/Illness

Injuries should be taken care of before the child is allowed to return to school. Any medication information that should be forwarded to the school nurse should be done as soon as possible. If a child becomes sick or injured during the school day, parents will be notified immediately. It then becomes the parent's responsibility to pick up the child as soon as possible. *A child with a contagious illness or fever should not be sent to school.* According to the health policies of Carmel Clay schools, any student whose temperature is above 100 degrees F will be sent home from school. Student may be also be sent home when his/her temperature is below 100 F should other symptoms warrant it.

Any student with a fever should be kept home until the student has been *fever free for 24 hours without medication* (temperature below 100F). Students should not return to school after being treated for pink eye or strep infections until they have been on medications and fever free for a full 24 hours.

HEALTH INFORMATION

Immunizations

Indiana law requires that all students must have on file an official completed record of their immunizations with the month, day, and year for each immunization. For specific guidelines, please refer to the Immunization Requirements section found at <http://www1.ccs.k12.in.us/district/current-families/immunizations>.

Medication

When it is necessary for your child to take medication at school, the following guidelines are in effect for your child's protection:

- A. All medication, both prescription and non-prescription, must be transported to and from school by a parent or guardian and must be accompanied by a doctor's statement or current prescription label with administering instructions.
- B. In case of a bee or wasp sting, Benadryl will be given according to weight guidelines if parent consent is on file. Also, the school nurse (or designee) will administer analgesics (generic Tylenol and Advil) if a parent consent is on file. Permission can be granted by going into your [myCCS](#) account.
- C. The medication may be brought in daily or periodically in the ORIGINAL PRESCRIPTION CONTAINER. (This already has the name of the student, name of the medication, and the time the medication is to be administered.)
- D. If the medication is to be terminated prior to the date on the prescription, the parent must provide a written and dated withdrawal of consent.

ALL MEDICATIONS MUST BE KEPT IN THE CLINIC. It is the student's responsibility to come to the clinic to receive medication at the designated time. If it becomes necessary to give a student medication that is not kept at school, a parent of legal guardian may come to the school and administer the medication in the clinic.

HEAD LICE

Parents have prime responsibility of assisting in the prevention and management of head lice cases through regular checks of their child's hair and starting immediate treatment when head lice are detected. While head lice are a nuisance, they do not spread disease and are not a health issue. Should a case of head lice be brought to the school's attention, the school nurse will maintain confidentiality at school, verify presence of an active infestation, and bring it to the child's parents' attention. Parents, students and school staff will be educated about head lice identification, treatment and prevention. It at all possible, students should not be excluded from school for having head lice, as the management of head lice should not disrupt the educational process of the child. The need to exclude students from school will be determined on a case by case basis. This policy is supported by the American Academy of Pediatrics, the National Association of School Nurses, and the Hamilton County Department.

SPEECH AND HEARING SCREENING

Indiana State law mandates hearing testing for all children in Kindergarten, 1st, 4th, 7th and 10th grades; new students; special education students; and any children with known losses. A communication screening will be conducted for these students, as well as those students identified in previous years as having maturational sounds in error.

ENROLLMENT/EMERGENCY INFORMATION

If a child becomes sick or injured during the school day, parents will be notified immediately. Updated student information sheets are critical for this process. **Please remember to update the enrollment form with any change in home or work phone numbers and names and phone numbers of friends and/or relatives to be called if parents are not available.** If applicable, also provide cell phone numbers.

CLASSROOM CELEBRATIONS

Seasonal celebrations will be planned by the teacher with the cooperation of the parents. A specified, approved snack will be provided at seasonal classroom parties. There will be options for students with food allergies as well. Birthday parties and treats are not permitted. Celebration deliveries disrupt the educational process and are not allowed. These include flowers, balloons, treats, mascots, etc. These items will not be delivered to your child's classroom. Do not send invitations for home birthday parties or other parties to school. These will not be distributed.

Latex balloons and craft foam containing latex are not permitted in the building for any before, during or after school activity. This is to insure the health of individuals with a latex allergy.

VISITORS/VOLUNTEERS

Adults are needed as school volunteers to help Mohawk Trails offer the best programs and opportunities to our students. We are very proud of our volunteer organization and encourage your participation. Check with the office, our PTO, or your child's teacher to find the best volunteer fit for you. A full background check is required by Carmel Clay Schools for any individual working with a student without the supervision of a classroom teacher, and also for all field trips. Information and application forms are available through your myCCS account titled "MTE Volunteers". These reports are valid for five years. In addition to the background check, there is an Anti-Bullying video that must be viewed prior to volunteering.

There are times when visits are not encouraged (testing, special programs, etc.). Furthermore, uninterrupted instructional time in the classrooms is always a high priority. Visits by relatives, particularly young children, are discouraged except on special occasions and must be cleared through the office. Prior to your visit, please make the appropriate arrangements with your child's teacher.

VISITORS AT RECESS

Please understand that visiting with your child while at recess is not allowed.

School Gate Guardian

All Carmel Clay Schools utilize a visitor check in system to provide the best possible security for our students and staff. All visitors are required to report to the main office to scan their driver's license or state identification card and will be issued a badge to wear. Any visitor in the building without a visitor's badge will be redirected to the office. When you leave the school, you must check out with the office. The increased level of security will allow the school to better track visitors and help increase the safety and security of our students and staff. As always, safety is a top priority at Carmel Clay Schools. The community and parents are welcome to visit us providing the visit does not impede the education process. We ask that you schedule your visits through either the main office or a staff member and limit your visit to one hour or less. **Please understand that visiting with your child while at recess is not allowed.** We request that parents contact the office to arrange for a non-family visitor to the school or classroom at least 24 hours prior to the visit. Observations require administrative approval.
