Carmel Clay Schools Names Jennifer Greene as New Principal of Mohawk Trails Elementary

Carmel, IN – Carmel Clay Schools’ Board of Trustees voted to appoint Jennifer Greene to serve as the next principal of Mohawk Trails Elementary, effective July 1, at the board meeting held June 25.

Jennifer Greene brings to Carmel Clay Schools an expansive 22-year career in education, with 12 of those years being served in administrative leadership. For the past seven years, she has served as the principal at Delaware Trail Elementary for Brownsburg Community Schools.

Mrs. Greene earned her Bachelor of Science in Elementary Education from the University of Southern Indiana and Masters of Education in Educational Leadership from Indiana Wesleyan University. She is currently pursuing her doctoral degree in Educational Leadership from Ball State University.

Dr. Amy Dudley, Co-Interim Superintendent, was pleased to recommend Greene as the new Mohawk Trails Elementary principal. “Through the extensive interview process, Mrs. Greene’s warm personality and student-centered, enthusiastic and visible leadership style stood out among a field of highly qualified applicants,” said Dudley. “Mrs. Greene’s skill set, experience, and personality make her a great fit for Mohawk Trails Elementary.”

Forty-eight people applied for the Mohawk Trails Elementary principal position. The four tiered interview process involved parents, teachers, support staff, and administrators.

Greene extended her appreciation to the Board, Dr. Dudley and Mr. McMichael in being selected for the new role. “I am incredibly honored to be part of the Mohawk Trails family and Carmel Clay Schools,” said Greene. “I am looking forward to meeting and serving our students, staff, and families.”

Mrs. Greene resides in Avon with her husband Scott and their two children Matthew and Emma. She enjoys spending time with her family, traveling and reading.
