

Woodbrook Elementary PTO

Dear Community Supporter,

The Woodbrook Elementary PTO is a 501(c)3 educational non-profit organization that raises funds to support Woodbrook Elementary School and encourage the highest possible standards of school for the students. One hundred percent of the funds raised are allocated to the school and students for programs like the year-long reading contest that encourages children to read at home. The PTO also plans family activities like Fitness Night, purchases replacement equipment for the playground, gives teacher grants for continuing education and classroom enrichment, and subsidizes the cost of field trips. This year the PTO purchased new playground equipment and is helping support a grant the school was awarded for Fuel Up to Play 60 program which supports good health & nutrition through exercise and diet.

We will hold a **Silent Auction on Saturday, February 25, 2017** in conjunction with our annual Mane Bash event. It is our hope that you will support the efforts of The Woodbrook PTO by donating to our Silent Auction. Participating businesses will be prominently featured to 370 families in the school publication *Woodbrook World*, an ad in *The Current* newspaper, on the PTO website, on Woodbrook Elementary and PTO Facebook pages, in back pack fliers, at the event, and in a special thank you promo package sent to families after the event.

Thank you for your consideration to help the students at Woodbrook Elementary experience the best possible education and programs. If you have any questions, or wish to make arrangements for pick up of your silent auction item, feel free to contact one of us at the numbers or emails listed below. We greatly appreciate your support!

Kindest regards,

Silent Auction Director

Amy Miller
